

Stay in touch with our Religious Education Program

This year we will be using the Remind App to send out messages to parents about upcoming events, classes, volunteer opportunities, meetings and more for our Religious Education program. Please download the free app on your smartphone today. If you already have a Remind account, please join our group/class **@steu**

STEP 1: Download the Remind app on your Android or iOS device, or use this link: rmd.me/a to install the application.

STEP 2: Once you've downloaded the app, create a parent account with your email address.

STEP 3: Go to the Classes tab, tap the + to join and enter this unique code **@steu**

You can also choose to receive notifications via text (data rates may apply) or email. Use this option if you don't have a smartphone (but do receive text messages) or if you'd rather receive email messages.

To receive messages via text, text **@steu** to **81010**. You can opt-out of messages at anytime by replying, 'unsubscribe @steu'.

Trouble using 81010? Try texting **@steu** to **(570) 972-2483** instead.

*Standard text message rates apply.

Or to receive messages via email, send an email to **steu@mail.remind.com**. To unsubscribe, reply with 'unsubscribe' in the subject line.
