SAINT EULALIA'S Breakfast Committee – October 2012

Question: Can you guess how many people it takes to prepare 154,200+ Breakfasts?

Answer: A Parish of Dedicated volunteers! ...read more.....

In 1984, right after the new Church was dedicated, a handful of Parishioners realized they had a good Parish, and wanted to make it better. This small group understood there was a need to raise some money to help the Parish move along, and build a better Community for the Parish to grow. So they started St. Eulalia's Monthly Breakfast in October 1984.

If you want to know the “real” History of the Breakfast you need to speak to Mary August and Bette Leonard. I will share with you what I learned about the early days of the Parish Breakfast.

This group of concerned Parishioners decided not to take money out of the Church funds, so they started selling Breads and Baked Goods courtesy of Frank August. The quality of the products was well known and easily sold to Folks attending Mass. The profits from this venture allowed this group to secure some needed items to set forth on the path that has taken this Community to where we are today with this Great St. Eulalia's Monthly Breakfast.

As you sit down to enjoy your Breakfast on Sunday, you need to understand that the preparations start the week before. There's a committee of volunteers that shop, order, set up, wrap silverware, slice ham, etc. When we get to Saturday the volunteers make the juice, cook the sausage, put the final touches on the Hall with the setup of coffee/tea stations, crack the eggs, and that just scratches the surface of what it takes to put this event into motion for Sunday. I love to hear this group laugh, tell their stories. One cannot help but understand that this Committee has formed wonderful, long-term friendships. They are very welcoming! Last but not least is the clean up committee that stays way beyond when the last person is fed, and makes the area ready for the next event...It takes a Great Parish to make this happen.

I encourage any Parishioner that has any time the week of “Breakfast” to get involved...your work truly makes a difference in your Parish and in your life.

“As for my house, we will serve the lord.”

God calls us to himself, to live for Him to serve Him, to always put Him first. Guided by Scripture, we believe that the Christian steward is a person whose prayer leads to a constant awareness that God is the creator of all blessings in life’s spiritual and material. He has entrusted to Catholics the gifts of material creation, individual vocation and the Church. Grateful for these gifts, we are eager to use them to show our love for God and one another. God calls us to share our time, talent or treasure.
